Toowong Uniting Church – Ministry Positions 2012

Toowong Uniting Church is a growing Christian community with a strong missional emphasis seeking to enlarge its staff team. We are looking to employ several people in part-time roles to serve and equip the congregation.

In particular, we are looking to replace our part-time **Children's Worker** (0.2, approx 1 day per week) to administer, promote, resource and lead a Sunday morning children's program, with appropriate pastoral and congregational support

We are also seeking a ministry agent to work in one of two areas (up to 0.6, approx 3 days per week):

- a) **Youth and Young Adults**, particularly to pioneer youth ministry and stimulate young adult ministry, whilst maintaining strong relationships with the wider congregation or
- b) **General pastoral responsibilities.**

Selection Criteria:

General Criteria

- Articulate a living and active faith in Jesus Christ
- Demonstrate specific competencies in the respective area of ministry
- Become an active member of the Toowong congregation
- Demonstrate familiarity with the Basis of Union and a willingness to work within its parameters, the Ministerial Code of Ethics, and the Polity and Ethos of the Uniting Church in Australia
- Currently hold or be eligible for a Blue Card and driver's license.

Other Conditions:

The successful applicants will be expected to report to the Toowong Uniting Church Council every two months and be accountable to the pastor/minister regarding their daily/weekly responsibilities. This will include short, regular meetings for informal reporting and planning. A resource budget will be made available by the church and some church-paid professional development will be expected, in keeping with the part-time nature of the positions.

The successful applicants will be Presbytery appointments and, unless ordained, employed under the ministry designation of Pastor (Stream A) in the Uniting Church in Australia; remunerated according to the corresponding award. This carries a preference to employ someone who has been a member of a Uniting Church for twelve months – but this is not a definitive requirement.

Applications close **December 5, 2011**. Please send application to:
